My signature states that I authorize Coast Label Company to charge my credit card as specified above, and in agreement with Coast Label Company's Terms and Conditions (available at <http://www.coastlabel.com/terms-conditions/>). If authorization for recurring charges was given above, these charges will occur each time a job ships until I notify Coast Label Company, in writing, to stop credit card billing. I understand that I have the option to use a different form of payment as long as I notify Coast Label Company prior to shipping an order.
